Parental Agreement – I hereby commit to timely payment of our financial obligations to the school, including registration fees, materials fees, tuition, and other necessary charges. I understand that failure to meet these obligations may result in the withdrawal of my child from enrollment if suitable arrangements are not made for a past due account.

I acknowledge that continued enrollment depends on my child’s fulfillment of academic requirements, dedication to studies, and commendable behavior. I agree to uphold the school’s academic standards by providing a supportive study environment at home and encouraging my child to complete homework and assignments diligently.

I appreciate the school's standards of behavior and do not tolerate profanity, obscenity in words or actions, dishonor to God and the Word of God, or disrespect towards school personnel. I authorize the school to enforce its regulations and implement disciplinary measures as deemed necessary for the proper education and training of my child.

I give permission for my child to participate in all school-related activities, whether conducted on or off school premises, including recess, sports activities, field trips, and other approved outings. I also give permission for my child to travel in school-approved vehicles or approved parents' vehicles for any off-site activities. I understand that the school may require trip-specific permission slips for each event, and I agree to sign these as necessary.

I agree to indemnify the school and its representatives against any liability arising from claims related to accidental injury or alleged accidental injury to my child(ren).

I consent to the use of any photographs or video clips of my child for the yearbook, advertising, or promotional purposes without expecting compensation or royalties.

I acknowledge that the school reserves the right to dismiss any student who fails to comply with established regulations, disciplinary measures, or financial obligations.

I agree to furnish all necessary documents, including proof of age, academic records, and medical records, upon the school's request.
